

FSL

Surface

Mounted
Fixtures

The FSL Series creates distinction with standard surface-mounted fluorescent fixture types and adds elegance to the surroundings with a round body and edges that provide integrity. It provides proper lighting with high-tech anti-glare reflectors that do not cause eye discomfort.

SURFACE MOUNTED FIXTURES/ FSL

FSL/DP1

Description

Body: Made of 0.6 mm thick A1 quality DKP steel sheet and painted with min. 80 micron powder paint.
